## Introduction

My name is Bradley Perelaer. I am a 21-year old student currently studying BSc IT at NWU. I have a lot of foundational skills ranging from programming, to engineering drawings, although my passion lies especially in the former. I have had a passion for IT in general from a young age and have since strived to expand my knowledge in various IT fields, and as such have made a hobby reading articles or watching informative videos on anything that peaks my interest.

## Educational Qualifications
